“ Dear "Extended Family",

The first time I met Sandra she had her coffee thermos in one hand and her travel mug in the other. I knew instantly that we had much in common. Weeks later she knocked on the door to ask if Victoria could jam with us so she wouldn't lose interest in the guitar. From that day forward she has been my closest friend, mentor, prayer partner, dinner partner and coffee companion. More than all of that she became the Sister with which I could share not just some, but everything with. Somehow we carried each other through the dark and low days we faced and came out smiling. We talked more than once daily and saw each other several times a week. She included me in family, holidays, and never saw me as an outsider but part of her family. Sandra was the most unselfish, loving, kind, compassionate person I have ever met. She has taught me much about love, and life. Things I will treasure forever in my heart and apply them to my life. I will miss our shopping days, movie days, and just sitting on the front porch rocking and sometimes riding the neighborhood on that ratty old golf cart. Having known her has made my life richer as I am sure it has enriched so many other lives. She loved life and she loved her family. Nothing was as important to her as her family. She loved planning those meals and having all her loved ones gather together. I know that you face many days ahead which will seem empty and sad. Everyone who knew her will feel the same. Sandra's faith in God and the way she lived her life is an example for each of us to strive to duplicate. We have lost a ray of sunshine in our days, but heaven has gained one beautiful angel. I love each of you and feel as much a part of your family as my own. My memories of Sandra will always be close in my heart. God Bless and care for each of you in the days to come. Put your faith in God and know as Sandra knew that the Will of God will never take you where the grace of God will not protect you.##imported-begin##Vicki Johnson##imported-end##

“ In loving memory of Ms Sandra Boroughs... Words can not express the genuine love and generosity Sandra exuded. She looked for any opportunity to give freely of herself. We were fortunate to have Sandra in our lives and will miss her dearly. There is peace in knowing that Sandra and Don are smiling down from above now. If all of us who were touched by Sandra will honor her memory by emulating the things we admired in her, the world will be a better place! God be with Sandra's family during this difficult time to give them strength. Zack and Victoria's song said it beautifully... Sandra was the center of the family. The upcoming challenge is in restructuring and rebuilding to carry on and make Sandra proud. It will be difficult, but the results will be worth all the effort. Please let us know how we can help. We love you.##imported-begin##Hawkins Family##imported-end##

“ To the family of my friend Sandra: Your loss is also a loss to many others. Sandra was a dear friend and made me feel like family at a very difficult time in my own life. I will always remember her selfless and giving nature and hope it will inspire me to be the same way toward others. I sense that her faith in Christ Jesus was strong and believe she is in a better place. Still, she touched many lives in such a positive way, and I will miss her.##imported-begin##Bob Lanford##imported-end##

“ Sandra was a unique person, despite all that life had dealt her she still had a very positive , forgiving attitude, to learn that is a gift but that was Sandra. She always told me there are only a few people you can trust to be your true friend and she always said I was one she felt was her true friend and with her that was what mattered the most . Thank you for teaching me to forgive, not to be bitter and to pray for the things you can not change. I know that God was in her heart and thats where she is . There are people who leave their mark on the world , that was Sandra ... she left her mark on every person she came in contact with.,and yes we will all feel a great void and she can not be replaced because we all know she set the standards "very high" and whom ever takes over where she left off will have some very """"BIG"""" shoes to fill !!

Thanks for just being you "A GOD Send"

May God Bless your family and give them peace and strength in this vey difficult time ... WE WILL KEEP YOU ALL IN OUR PRAYERS...

For her Family... She loved you all very much and she was very proud of all of you... She enjoyed taking her grandchildren to guitar , piano and , her Mom every Tues to shop. May God be with you all ... please try not to be sad but realize how blessed you were to have her as your Mother.. Mother in Law.. and Grandmother as I realize how blessed I am to have her for my """"true friend"""

“ Dear Boroughs family,
I am sorry to hear about your recent loss. I send to the family my deepest sympathies.
When we lose a loved one in death, we may feel as King David did when his son Absalom died, he said " O that I might have died, I myself, instead of you"
Almighty God does not leave us without hope. He promises us that those who are in his memory will be resurrected.(John 5:28-29).
Isn't it comforting to know that one day soon we will have the prospect of being reunited with our loved ones again?
When on the earth, Jesus showed that he has the power to bring the dead back to life. On one occasion, he resurrected his dear friend Lazarus.(John 11:11-44). on another occasion, he resurrected a 12 year old girl.(Luke 8:49-56).
These miracles give us the assurance that Jesus will do the same for our dead loved ones.
So during this very difficult time I encourage you to throw all your anxiety upon God and he promises to sustain you.(Psalms 55:22).
It is my wish that these few words will provide the family with comfort and hope.

Sincerely,

Sandra##imported-begin##Sandra##imported-end##
