“ Praying for God to wrap his loving arms around this precious family! Sandy was a very special lady to me. If she was your family or your friend there was nothing she would not do for you!! She was such a rock for my mom in the loss of my sister and had no idea what her friendship meant to my mom! I will never forget her calling me in March of this year and apologizing that she would not make it to my mom's funeral because she just could not take the risk of getting COVID. I agreed that she should not attend but she came anyway to comfort me and my dad because that's just who Sandy was!! Bill and David you were her life and she loved you both so much and made sure everyone knew that! Hold onto all of those precious precious memories!! I feel so blessed to have known her and been a part of her life! I will be praying for each of you. RIP Sandy Jenkins! You fought like no other and you earned those beautiful wings my friend!! Until we meet again... I love you and will miss you dearly!

“ *Bill and David, I worked with Sandy for a while in the Greenville School system. She was a wonderful and hard worker and kept everyone around her calm and happy! She talked about her love for the two of you almost every day! David she talked about how much she loved you and you could certainly tell you were the light of her life! She will be missed by all that knew and loved her♥ Debbie Campbell*
