“ I am very sorry to hear of Sandy's passing. My condolences to all her family. My name is Dorothy Jean, cousin to Ansel. I met Sandy through Ansel many years ago. We had many fun visits together. She talked much about her sons and her precious grandchildren. Life changes for all of us and many times our paths grow away from each other as it did for us, but never losing the memories we shared. She was a dear, sweet friend to me. God bless you all.
