“ *Sara was a wonderful teacher and coworker at Woodland. I have great respect for her as a teacher who touched so many lives. One of my favorite memories of her was her amazing ability to recall former students names and their family histories. Whenever I recognized a face but would not recall a name, I would run and whisper to Sara. She would immediately name the student and speak of the family. Truly a special woman with a big heart.*

“ Jack & Family, Heaven gained a precious angel Saturday morning at 8:40a.m., she was as beautiful inside as she was on the outside, she was kind hearted, giving heart, and last year when I was in the hospital called me twice a week to see how I was inspite of how she felt she was a caring Christian woman. She was my fourth grade teacher and I loved her she was just precious. Your family will be in our thoughts and prayers today and in the days ahead. May God bless you!
