“ Dear Donna, Mickey and family,  
We are so saddened with the news of Mrs Lynns passig, she was a dear person and a wonderful neighbor. She was concerned for everyone on the block and checked in on several of us quite often. Donna your mom was very very special to us, she prayed for us and asked about each and every member of my family often. It saddened me also to give her the news about Tucker because she watched him grow and he enjoyed visits with her.  
Thank you for the honor of asking Tommy to be part of the ceremony, it deeply touched his heart, unfortunately because of a pryer commitment that is taking him far from Greer he sadly will have to miss this special tribute to her life.  
Carley feels with Tucker receiving chemo that we too wil not beable to come to the service. She has no back up babysitter and his resistance is just too low to be in a close environment with other people, I hope you understand. We wil be there in spirit and our heart is with you always. I know she is at peace and for that you are grateful, but like her friends on Chestnut Ave she will surely be missed and we are so sorry you had to say goodbye to your very dear mother, Donna you are the best daughter ever and she was so grateful for al you did for her. She bragged and bragged about how you just dotted over he every day. God bless you and your family. Please accept our sincere sympathy.
