“ This is so hard to process. We will miss Aunt Sarah so much. As I type this, I keep glancing over at her picture here, & it brings tears and a flood of memories & good times with her. Aunt Sarah had a unique way of making you feel special. She loved to cook for her family...creamed corn being a specialty, but she also loved eating out with her friends & spoke of them often. Shala and Chris, she loved you with her whole heart and was so very proud of you, and she adored each of her grandchildren. She also loved her only sister, Barbara, my mother, and she truly enjoyed tit-for-tat teasing with my daddy, Maynard. Our hearts break for you; I promise to be praying for you all in the days ahead. In the midst of all the pain, it does bring comfort to know she is in heaven with Jesus, Grandma, and others she loved so much. With much love, Art & Shay Dodd
