“ *Sally and John Fackleman, you are two of the most wonderful, and kind people I have ever had the privilege to call friends. Sally will be so greatly missed by all who knew her. Much love John, from my entire family during this time of such despair. With Love,

“ *Aunt Sally, I feel as though I've lost someone so special. To me you were more than my aunt, you were in some ways a mother, in other ways a wise sister, and definitely a friend who I could share anything with and have no fear of being judged. I think my favorite trait of yours though was not only your peaceful, gentle nature but rather your sudden sarcastic sense of humor that would often seem so unexpected. That's what made your sense of humor that much more funny and ironic. You are and always will be a beautiful, gentle soul (with that sharp wit about you) that I have known and loved my entire life. I miss you every day, truly. I love you so very much...give Taysha and my sister hugs and kisses...until we meet again.
Love, Beth*
