“ Sarah, I am so glad to have known you. I count you as one of my dearest friends and I miss you so much already. We had many great adventures together and shared lots of laughs. One of the things I will remember about you the most is your passion for helping others. You always wanted to the best for those you loved and was always trying to come up with a solution to the help.

Prayers of comfort and peace for Sarah's family. I know you will miss her terribly. <3

“ Sarah - I never knew you personally, but I do know what a lovely, gentle person you are from my knowledge of your son Todd. His love for you was enormous, as evident from his loving attention to you, both in your home and later.

Inasmuch as a child is the creation of his parents, you were obviously gentle and caring, unafraid to show tenderness toward others, as that is how your son is. these qualities serve him so well in his chosen line of work, as well as his friendships and relationships. Your light continues to shine in the beautiful spirit that is Todd.
