Charlie and I are so sorry to hear of your mother's passing from this earth but so happy for her to be in eternal glory. She was the most happy and wonderful person. I have so many happy memories of being in your home with Julie and of seeing your mom at Sears. Blessings to all of your family. I have not heard from Jullie in a long while. I hope and pray that she is doing well. Love and prayers from the Henderson family.

My condolences on the loss of Ms. Sarah. She and I worked together at Sears. She was such a sweet lady. I enjoyed her so much. Several of us former Sears employees are just finding out that she passed. I am so sorry that I could not be there to offer condolences in person. Thoughts and prayers are with you all.
