“ Dear Scott and family,
We want you to know that all of you are in our prayers. None of us can understand why God allows things like this to happen, but one thing we can be absolutely sure of - He will get you through these incredibly difficult times if you will let Him. Scott, I'm going to write this as though you and I were standing face to face. As much as you miss Kathy and Nathaniel, God has blessed you with other children and you must go on living for them. I only met Kathy once, but I know you and she loved each other very much and she would want you to continue to share that love with the family she left behind. Although the days ahead will be hard and there may be times you think you can't make it, remember the time you and Kathy were blessed with, and know that every day hundreds of prayers are going up for you, your family, and all of Kathy's family. God loves you and will see you through. If we can ever do anything for you, please call us. We love you.

“ Tammy, Greg, and family,

There are no words.

You are in your BMW familys' thoughts and prayers. We cannot
understand and are at a loss to find any way to help.

Tammy, your strength is something that we all very much admire
and look to in times of tragedy. But, this tragedy is unfathomable.

We know your faith, as well as your family, is strong, and will
somehow guide you out of this terrible time.

God bless,
