“ Hi, I didn't know Sean, but I've been one of Ellie's teachers since she first came to ELA. Today (June 12) was the first day I realized that Ellie's dad had passed away. She told me this morning that "He is in Heaven." I'm so very sorry for your loss. I told Ellie that my boys' dad died, too, but they were 14 and 16 when he died. I'll be praying for Ellie and your family. If I can help in any way at East Link, please let me know.

I am extremely sorry for your loss. Words cannot express my shock and sorrow. I met Sean while visiting in Greenville SC in 2018. I realized then that he was an amazing, kind, generous, good-natured soul. We became friends and kept in touch at different times. I also had the pleasure of meeting Shannon and their little girl. In fact I haven't spoken with Sean in a while and was going to call for his upcoming birthday. I don't know what happened to him and it makes no sense at all. I guess our Lord truly wants his angels close by. I will continue to pray for Sean's soul and for his entire wonderful family. Again my deepest condolences, Anthony Calandra
