“ WE are Ashley's great uncle and aunt, Wayne and Vicki. We had met Shane a few times when the family were all together. He seemed quite around us. But when I spoke to him, he was very polite and friendly. I'm a little quite too when I'm around a lot of people I don't know very good. So I felt like I understood what he was experiencing. I didn't know he rode motorcycles. I have 2 Son's and a 16 yr old Grand Son who ride also. We ride together when we can. It's so dangerous out riding. There are so many people on the roads now and it's terrible to say but so many of the drivers don't watch for Motorcycle Riders. Y'all had a Great Son. Even though we didn't know him very good. He has been on our minds so much since David let me know. Your Family is in our Thoughts and Prayers.

“ I still cant believe that this has happened. I miss you so much. That goofy smile,twinkle in your eye, your quiet way that was Shane. You never had a bad word for anyone, even when we teased you about working, girls, whatever. I loved how you would just smile and dip your head. I am missing you so much. I cant fathom how your mom and dad are feeling. But I know you would tell them to stop crying, you will see us all soon, get in church let Let God give them peace in this, knowing that he can bring them through all this pain. I love you. 4ever
