“ Ms Lee is been a part of Greenville Post Acute Rehab, she was with us for a while before she went to Brookdale, we love her dearly. She was excited to see us and us as well , our heart was broken when she passed but she will be in our heart always, she was a fighter , she’s one of our miracle who proved us that she can get better and walked again and she did with all her hard work and enthusiasm. She’s our family.

“ *This sweet and beautiful Aunt will always be
remembered in my heart for her beautiful
smile and always a special hug. She always
shared how much she loved you which made
you feel so special. But, most of all she
shared her love for our Lord and Savior Jesus Christ. We had many
talks of our church and music. Aunt Sharon, may you rest in the
peace you so often anticipated. You will be forever loved...
