“ My condolences to all of Sharon's family in her passing. She was a good friend and a mentor and leader in my business in the 80's. I lost contact with her when I left Falls Village just prior to 2000 and I always hoped our paths might cross again one day. RIP

Always sorrowful when a person from our age group passes. We were neighbors for some years, had good conversations. I was so impressed when Robin would arrive each Tuesday , rain or humid heat, to mow the lawn. The mother of our four children, also Sharon, was in your High School class. Rest in peace dear neighbor. You are in my thoughts always as I look across the street at your home, Alan Church
