“ Rabbit and I worked together for 12 years at Carter & Crawley and he was a great guy to work with. When I think of him, I remember how around 4:30 each day he'd say, "Like the guy said when he cut his finger off, it won't be long now." Still makes me smile.

“ Lewis and I were married for 13 years and he gave me a beautiful daughter Krystal. I will never forget the day she was born. He was talking on the phone with his mother and the nurse came out and told him he had a baby girl and he just dropped the phone and ran to see her. I've never seen him as happy as he was that day. We remained friends throughout the years up until the day he passed. David and I will never forget him and what a good man he was.

“ He sure could "cut a rug" dancing and brought joy and laughter at the family gatherings as I was growing up. I too remember fishing trips with Uncle Ken and Dad. And playing card's at Papa Jacks! Dinners at the Tadpole. Trips to the beach with My buddy John. Too much special memories. Thanks for the good ole days Rabbit!! Rest now.

“ I will cherish the many memories of the good times we have had together over the 50 something years I have known Rabbit. The fishing trips and so many other things we did together along with my two Brothers Ed and Steve will always be some of my favorite memories ..Some of his favorite sayings were " What's Happening" and "About the same". Rabbit will surely be missed by all who had the pleasure of knowing him.

“ *Mr Rollins and my family became neighbors Nov 1977. The best neighbor anybody could have. Never an argument or disagreement about anything. Mr Rollins was very supportive and was always willing to help his fellow man with any situation that crossed his path. If he was up late and saw my light on he would call and we would talk for about 30 mins to an hour about the good old days and how so much has changed from when he was a kid but he would always end the conversation with we must continue to pray for each other and keep each other lifted up in the Spirit of the Lord. I will truly miss him especially at the mail box everyday. I know you are RIP now . Wanda and James McDaniel 🙏*
