

## Sherman "Boom Boom" Ray Windsor Jr.

March 14, 1932 - June 10, 2025

Sherman "Boom Boom" Ray Windsor, Jr. was born on March 14, 1932, to Mattie Lee Burke Windsor and Sherman Ray Windsor, Sr. in Washington, DC.

Sherman lived much of his life in Maryland and worked many years in the flooring business. He moved to Greenville, South Carolina in 1971 for a job opportunity and remained there until his death. In his retirement years he worked Sundays at the family business, Upstate Dog Training, and would love to show newcomers around the pet resort. He served his country in the United States Army during the Korean War.

He enjoyed all sports and was a "natural" athlete, playing well at many sports. Sherman especially loved baseball. He played on a "farm team" and was once recruited to play with the Brooklyn Dodgers. Being the family man he was, he turned it down so he would not have to spend time away from his family.

Sherman will be remembered as someone who loved his family and friends, had a great sense of humor, and had the ability to make people laugh. He never met a stranger wherever he would go and made numerous friends throughout his life. He was a devoted husband, father, grandfather and great grandfather who enjoyed spending time with family.

Surviving are his children, Valorie Ruck (Gene), April Ludwig (Matt), Brad

Windsor (Sherri), Bruce Windsor (Heather), and Lisa Weaver (Tim). Sherman leaves behind fourteen grandchildren and thirty-three great-grandchildren.

Mr. Windsor was predeceased by his wife of 58 years, Dolores Williams Windsor; a daughter, Jill Jones (Jimmy); and a grandchild.

There will be a celebration of life at Lake Robinson, 2655 Mays Bridge Road, Greer, South Carolina 29651 at 1:00 p.m. on Saturday, June 21, 2025.

Memorials can be made to the American Cancer Society, P.O. Box 6704 Hagerstown, Maryland 21741.

“ I got to work with this great man only briefly and chanced upon this obituary too late :( I am so sorry for your family’s major loss, April. It was one of my life’s greatest joys to sit with him those few times and attest to his great sense of humor, and ability to make people laugh. I never felt like a stranger although he didn’t know me from one visit to the next.  
And I’ll never forget that’s why they call him “Hinges.” :)

“ Rest in Peace Sweet Uncle Buddy!! You were always so kind and funny. A wonderful son, husband, father, uncle and grandfather!!! My family survived because you gave my Dad a chance in the floor laying business after he lost his leg! My Dad proved he could do the work and made you and us proud! I love you! Until we meet again “Go Rest High on that Mountain”!!! Love, condolences and prayers for your family!!

“ When I first met Delores, she spent all of her time praising her husband. She loved him dearly and it showed. I met Sherman and remember his infectious laugh. He was always upbeat and joyful. He dearly loved his family and worked at the Dog Training Center and was a great asset to the place. I know the family will miss him. He was a dear soul.
