“ We are greatly saddened that our dear friend, Sherry, was taken from us suddenly, but we are comforted that she has gone to her heavenly home to join her family and friends that have gone before her. Sherry was a wonderful, caring friend. She truly enjoyed life and had so many friends that loved her. She is truly missed. Our thoughts and prayers are with all the family and friends for the LORD to give strength and peace in this difficult time.

“ Can't believe today I will be saying goodbye for the last time to such a special friend. So many fun fun times from going to Baltimore, MD dressing up and going to a Halloween party, to all our travels, playing card games, and sharing a joy in working on new crafts. You were one of the most thoughtful people I've ever known. I know God has wanted you ,but I am selfish and wanted many many more years for us all to get together to travel or just have fun close by. I know there are dozens of others that feel the same way. Sherry you may not be with us now but you will never be forgotten. Love you,

“ *Dear Sherry,*  
*I remember over the years so many good memories and one of the most memorable was the conception of Little Willie in the "Honeymoon Suite" at Happy Way. Mickler and Maggie conceived a litter of 3 of the cutest beagle puppies there and you and I were so happy about the news! I will miss you and all of your kindness and generosity towards animals without a permanent home.*

“Dearest Sherry. We are all so sad that you are not here. You have given us all so much in this life...the lilies you gave me bloomed this year and they will always remind me of you. I remember many things even back to when you and Carol and I worked at the hospital--about 40 years ago. Thank you for having touched my life. I will miss you.

“ Sherry, I miss you so much, you were my best friend! You left before we collected all the shells and driftwood we thought we needed on Edisto and we were so close to perfecting our strategic to win in pinochle against Bill and David! We hadn't snorkeled, kayaked, or returned enough to our beloved Edisto! Your spirit and zest for living life to the fullest will be sorely missed.. We had such fun together, spending many many days and years together on exciting travel trips, and enjoying each others' company! I want you to come back, but I know you can't! I will love and take very good care of your sweet beagle, Apple "Jack", who thought you hung the moon! David sends his love and what is he to do without his "twin" friend???

You have left behind a very loving family especially your cousin Susan and "your Bill".

We will all miss you terribly but your memory will remain with all of us forever!

Love, Carol

“ Dear Sherry's Family, Our hearts are sad for the loss of our friend, Sherry. She lightened our neighborhood, The Arbors for many years. Her beautiful smile, sense of humor, and friendly personality will forever remain in our life. The pleasure of knowing her and our conversations have made the time we met more meaningful as life travels on. Her loving concern for animals and her zest for enjoying each day as simple as being at home or the traveling that she so enjoyed is part of the Sherry that made her so special. We are comforted by the wonderful memories of her and will remember her and the spirit for life she had. Will miss you our friend. Prayers and thoughts to each family member and may God give you peace and comfort during this time of adjustment of Sherry's passing. God bless each one of you.

“ We will miss our dear friend. Sherry was such a bright light to our card group. I had the pleasure of knowing her and enjoying her laugh. She was kind and caring to her friends and her patients. Her love for animals, flowers and people was a gift she shared with us all. Her many "crafts" and talents were truly God given. Her life will continue in a much better place. I will miss her dearly. Just know I are praying for each of her family/friends and ask God to grant us all peace. Peace be with us all.
