“ She was a strong beautiful woman, also we need to remember her fun side, not just that sweet smile but her laughter. We will miss her, but rejoice in being a part of her life here. Looking forward to seeing her again.

“ In the short years I have had the pleasure to know Shirley, she has inspired me more than any person I have ever known. She was beautiful inside and out and was the most positive person I have ever known. A true southern lady. I will miss our chats and texts so much and can only hope they encouraged her as much as they encouraged me. My deepest sympathy to Leon and the family for your loss.

“ *Leon, Danny, Mark and families*
Shirley was the most beautiful lady I have ever known. She and Leon were very kind to me when I was 7 years old and at a very impressionable age. This kindness continued thru adulthood.

Shirley had a welcoming personality. She always made her family and friends feel special.

We will surely miss her as we celebrate a life well lived. We feel assured that one day we will see her again and she will be free of cancer.

Our love, thoughts and especially our prayers,
Dean and Mott
