“ *We were so sorry to hear that Shirley passed away, we got to know her the last 6 or months of her life and we loved her like we had known her for a life time. She was the sweetest lady and was so kind to our aunt at Bayberry, and kept us laughing all summer long. We will be praying for you all.*

*Shirley was a good friend and will be missed by many. She and I shared the same first name and both of us were born in July. I met Shirley through Barbara and discovered that she and Pat had made the most beautiful dolls I had ever seen in my life. When a doll was completely made, it was named, and Shirley recorded the name. This talent Shirley and Pat had was God-given. Shirley gave many of her friends one of her dolls, including me. I have some precious memories of Shirley, Barbara, and me eating together and shopping at Belks. Barbara, Mike, and Mark words can't express how sorry I am for your loss.*
