“ I read once that there is one thing in life that will never, ever leave us: a mother’s love; a grandmother’s love. Shirley certainly had a love for her children and grandchildren that will last forever. She liked to “brag” to me about some family member, and smiled the entire time she talked about them. It’s been a privilege for me to help with her and be so accepted by everyone. I’ll always remember her devotion to husband, faith and family, and of course her beautiful hair!

“ I couldn't believe what I was reading when I got the message telling me of her passing. We are never ready for this sort of news. Shirley and I have been friends for over 45 years, she was a wonderful friend. I will miss her a lot but will see her again one day. God please bless and comfort her family, I pray. Love to the family.
