“ I have a lot of great childhood memories of sitting around the dinner table at Grandma and Grandpa Peace's talking with Aunt Shirley. Me, Mama, Daddy and Amber spent a lot of time there. We had lots of fun. Ice cream churning, fish fries, lunches and dinners. We also took many vacations together to beaches and mountains. We liked to shop in the stores at Gatlinburg for trinkets. I will miss you a lot Aunt Shirley.

“ Shirley was my daughter's mother-in-law. From the very beginning, my daughter was accepted by the Peace family and Shirley was an integral part of that. Over the years of BJ and Dani's marriage a relationship developed between our two families. We celebrated holiday dinners, birthday parties, and other occasions together. Although I was not related by blood, I do feel that I have lost a family member. I will miss her.

“ Aunt Shirley was such a big part of my childhood. She always made me laugh, made me feel at home, and had a way of keeping things honest and real. I'll always be grateful for the time we had and the impact she had on my life. She'll be deeply missed. – Steven Pitts
