“ *My name is Hunter Herndon and I attended school with Skyla. Everytime we seen each other in the hallway at school we high fived, and she always had a big smile on her face. I'm going to miss her very much. She's in heaven now with my baby sister which is 7 years old now named Madison. I'm sure they will be bestfriend and look down on us all... R.I.P*

“ *I wish I could think of words more comforting and original than 'I'm sorry for your loss' - but my vocabulary fails me... I remember Skyla so vividly though I only met her a handful of times... familiar strangers sharing a waiting room at the Children's Cancer Center... it only took a moment to realize Skyla was an extraordinary little girl with an infectious smile that never failed to light up the room. She touched many lives and brought so much joy...She will be dearly missed and sweetly remembered <3*
