“ I saw Sophia's obituary on Wood's website and just couldn't help but drop you a note. I never met your mom or dad, but I worked with Doris Dobson for many years before she retired and she spoke of them often and I feel that I know them also. She and Charles were great friends with Sophie & Monroe and I can still hear her talking about the steak suppers and card games and such fun times. I know that they are all together again once more. You have my deepest sympathy. Gail Morgan##imported-begin##Gail Morgan##imported-end##

“ I am truly sorry for your loss, but there is reason to hope for God promises that there will be a resurrection of all those found in his memory. (Acts 24:15) Yes, we have the wonderful prospect of seeing our loved ones again since they are simply asleep. (John 11:11,14) And the life to be enjoyed when this takes place is almost to wonderful to contemplate. “ Carolyn and Gordon,

Sophia was a true southern lady, Faith and we will miss her deeply. I'm told those we love are never really lost to us, we feel them in so many special ways, through friends and family they loved and cared about and dreams they left behind. Both Sophia and Monroe share a special place in our hearts.
