“ I just searched because I had not heard from Staci. I was her shopper and helped get her home back in order. She was the happiest she had been for a while and so excited about her grand baby. She became a friend and I always loved to visit with her. I thought she had moved!!
What a loss for everyone.
I am so sorry!!

“ *Staci was my step sister. I enjoyed every holiday at Daddy-and Sybil's house. Thanksgiving and Christmas just passed and I count it as joy that she was smiling, hugging and loving. She always brought her deviled eggs to all our events. Her style and beauty lit the room. I will always miss you until I join you at Jesus feet. Love to Sybil and Gigi from Sharon*
