“ My prayers go out to Stan's family, as you celebrate the life of your spouse, father, grandfather. I know as kind, friendly and well thought of as Stan was to co-workers and friends, his closest ones will grieve their loss. May the Holy Spirit, be with each of you as the Comforter God and that you have wonderful memories that will help as your hearts heal. I pray that Stan's warmth and kindness live on in each of you and that you each emulate his strength's and support one another..

As a competitor and colleague of Stan's, I will miss him but also have fond memories of my dealings with him. I will keep you all in my thoughts and prayers.

“*As new residents to Greer last summer, we had the best blessing bestowed upon us when we met Stan and Diane. Stan was truly the warmest human I have ever met. Always a smile, a hug or a hand extended to you when he was around. The first year I was away from my family, he and Diane welcomed us into their home during holidays and introduced us to others within the community. I took a job at Great Bay and my husband went to work part time at Beltram for Stan. We both felt so truly lucky to have been part of his life and to have called him our friend. In such a short timeframe, he grabbed our hearts. He will be missed tremendously and remembered fondly. Sending our deepest condolences to Diane and family.*

“ Every time we walked through the doors of the GBOH I looked forward to seeing my good friend Stan. There was never a time that Stan and Diane didn't stop and talk to, or even sit down and have meaningful, genuine conversation and laughs. Stan genuinely cared and you could tell it! It will be extremely difficult visiting our favorite restaurant and not seeing my good friend and his smiling face. God bless you Stan! You will be missed! Praying for Diane, Kristen, Katy and the whole family. We love you!
