“ *God blessed my life by allowing me to meet Stan almost one year ago. This past year has been the happiest year of my life and a lot of those happy times were spent with Stan and Jan. I will never forget the first time that I met Stan. I remember thinking "that man is hilarious!" He always made me feel loved and very welcome in his home.*

*My thoughts and prayers go out to all of Stan's family, friends and acquaintances who will dearly miss him. He was a wonderful man! I sure will miss waving to him every morning before work!*

*May God Bless you Jan as you go through the next few weeks and months dealing with the pain. I am sure it helps to know that Stan is in a better place and that he is not suffering. Please know that all of your friends are here for you and we are just a phone call away. We love you.##imported-begin##Crystal Galloway##imported-end##*

“ *My thoughts, prayers, and deepest sympathy go out to Jan and her family on the loss of a wonderfully funny and charming husband, father, brother and friend. I met Stan while working with Jan over the past seven years. I have such fond memories of Stan and his jokes, dry humor and sometimes fiesty demeanor. I know this is a terribly difficult time for everyone whose life was touched by Stan, but know that he is watching over us all, and that you have so many people keeping you in our thoughts and prayers.
