“ *A sweet memory from last year's Trunk or Treat at your church. It feels like just yesterday we were decorating your car and laughing as we handed out candy. I'll always hold onto those special moments with you.*

“*Statia, We shared 19 beautiful years of friendship, and I will miss you more than words can ever express. You were always so full of life, laughter, and love — a true light in the lives of everyone who knew you. I’ll never forget how you introduced me to my husband 18 years ago. You were showing me your wedding photos, and I saw him in one of the pictures. I remember pointing and asking, “Hey, who’s that hottie?” You laughed and said, “That’s Michael! You should meet him — he’s single!” A couple days later, you called me and said he’s here, I snuck over and met the love of my life, all thanks to you. You even stood by my side as my matron of honor at our wedding 12 years ago — such a full-circle moment, and one I’ll always treasure. You were there for so many of life’s biggest moments. You were by my side for the births of three of my children — through both the easy and the hard ones — and you’ll always be their Aunt Statia. They loved you, and they always will. From weddings and birthdays to holidays, births, and Sunday lunches, you were always there — laughing with me, crying with me, doing life together. I will forever cherish every memory we shared. Even though my heart aches with your loss, I find peace knowing you’re no longer in pain and that you woke up in heaven that day — whole, free, and in the arms of Jesus. I know with all my heart that you’re home now. I’ll carry you with me always.*”
