So sorry to hear about the passing of your Grandmother. We would have come but did not know until Monday afternoon that she had died. We have heard that she was a wonderful lady and I know she will be greatly missed. May God bless and be with you in the months to come as you mourn her loss.

“ *Charlene and family, I so miss my dear sweet Stella. She always cared more about others than she did herself. She always told me I wasn't alone "I had her". I only saw her once at Magnolia but I so remember going by her place and sitting and talking to her. I will always remember her and how she loved me unconditionally. May God grant her rest in his majestic kingdom. If I can do anything for you Charlene please let me know. Stella I love and miss you very much. I will always love you!##imported-begin##Brent Hellebrand##imported-end##*

“ *Charlene and family: I am so saddened to hear of the passing of your mother and my dear, dear friend, Stella. She was such an inspiration to all of us in her never tiring efforts to help others. The "Eagles" will be missing one wonderful member but we will never forget her and know she is now "at home" and is rejoicing with her King. I know this gives you some comfort in this time of sadness. Love you all
