“ It has been nine years since my friend Steve went to meet his maker. Not a week goes by that I don't recall the times he and I had together growing up in Greer. I miss him so much. Too bad we didn't have his smiling face for a longer period of time. He will be forever in my heart.

“ Kathy,

The passing of your spouse can be extremely devastating which I know firsthand because my wife lost her battle with leukemia on Feb. 19, 2009 and was called home by Jesus. I also know that you probably feel like someone has ripped a large piece of you away and it doesn't really seem real. I wish I could offer you something that could really help but I know I can't. Just keep family, friends and God as close as you can and God will get you through it but you're probably think right now you're not quite sure how. I'll keep you and your family in my prayers.

In Christ,
