

Stephanie Michelle Edwards

March 22, 1985 - July 2, 2017

Stephanie Michelle Edwards, 32, died July 2, 2017, after a lifelong battle with Cystic Fibrosis. Stephanie passed away surrounded by family at Emory University Hospital in Atlanta, Georgia.

Born in Atlanta, Stephanie was the daughter of Sharon Edwards of Taylors, South Carolina. In addition to her mother, she is survived by her son, Karter Grant, a grandmother, Sue Walker; a sister, Jennifer Martin, a brother, Kristopher Edwards and many aunts and uncles. She also leaves behind the love of her life, her fiancé, Ashley Williams.

Stephanie was diagnosed with CF at the age of six months old. Even though she battled this disease her entire life, she did not let it define her. Her feisty and stubborn personality saw her through many milestones that many did not think possible. As a child, Stephanie was spunky and sweet. Her beautiful soul drew people in. Among other things, she attended CF camp and made lifelong friends there. As a teenager, her fiery and caring spirit attracted many to her. She volunteered with the Special Education class at Wade Hampton High School. She graduated ITT of Greenville with a degree in Criminal Justice.

As a young adult, Stephanie became a mother. Her son, Karter, is her heart. You can see her in his smile. She was looking forward to the future with her two men. Stephanie was happy and loved. She will be greatly missed by all those touched by her life.

A celebration of life will be held 2:00 p.m., Saturday, July 15, 2017, at the

Wood Mortuary Chapel, Greer, South Carolina.

Visitation will be held immediately after the service at the mortuary.

In lieu of flowers, her family asks that contributions be made in her honor to the Cystic Fibrosis Foundation.

“ *My prayers for this entire family, especially for little Carter.*

Stephanie and I went to middle and high school together. Years ago she found me on Facebook and I will forever be grateful for the blessing of being reconnected since high school. Nothing had changed with her. I still saw the giggly girl who I had known years ago. Her gentleness in her eyes still gleamed and her heart was so big for the world. She fought a good battle and she won!

“ Stephanie was one of the first friends and neighbors of my girls, Jessica and Jenny, when our family moved to the Greenville area. She and Jessica were baptized on the same day at Pebble Creek Baptist Church in Taylors when they were young girls. Stephanie is now eternally healed from CF. Praying for Shari, Jennifer and Karter.
