“ *I had the pleasure of knowing Stephanie for many years. In high school, I remember how funny she was and how much I loved to hear her laugh. What a great laugh. Stephanie was loving, kind, and had a heart for people and animals. I have been praying that the comfort and peace that only Jesus Christ can provide will cover the pain and loss in hearts of her family, and others that were close to her. I consider it a privilege to have had my life touched by yours Stephanie, may you rest in the eternal embrace of our Heavenly Father.*

“ Stephanie was a vibrant person with a kind heart. I wasn't a close friend but traveled in some of the circles she was a part of. Fly high sweetheart and live in tranquility in peace and pain free.

“ Your wings were ready but our hearts were not. Tink you were one of the kindest souls I knew. There wasn't a day that went by that you and Brandy didn't enter my thoughts. Heaven will be a brighter place with you in it. My heart and thoughts go out to everyone who loves you and is feeling your loss. Until we meet again.

“ My beautiful dearest friend who touched my heart with the moment we bonded over our fur babies. Her lil bubbie Zeus and my Keely were like twins same colors and markings. We used to say they were a couple. Stephanie, u were one of the most kindest, genuine, loving people I had ever met thru Facebook. Our video chats were the entire highlight of my weeks. You brought so much joy to my life with ur sweet childlike voice, your love for Jesus, always cheering me on when I felt at my lowest and even would be my protector from any guys who would give me crap. I love you lady so much and miss you.. I know ur pain free in paradise with our Lord and that comforts me. I will never forget u as long as I live. I thank God for the the gift he gave me and that was u and our friendship which I will cherish to the end of time. I know I will see you again love. Rest easy now the best arms in this world are holding u close. Love u too the moon and back infinity and beyond forever and ever. U are the light in my heart that will never dim. May God bless and keep ur family. I give you my word I will be there for Brandy, ur family and friends.
