“ I met Steve when I first moved to Holden Beach NC in 1994. He hired me to help at Salt Peddler Realty and it was he who convinced me to get into the Real Estate Business. He was my rock when I needed him and we have remained friends over the years. I'm am so devastated to hear of his passing. I think of him often and will miss him greatly. My deepest sympathies to the family.

You will always be in my heart Steve.

“ I've known Steve for over 20 years, such a ray of sunshine.....honestly, he was one of the most beautiful people, inside and outside, I have ever met. I am sorry I was out of town during the services. Words escape me on what to say to all of the Griffin family and extended family.....I am just so extremely sorry for his loss - the world will miss a really life loving guy! Kim Long

“ *Definitely no one out there like Uncle Steve, its hard to put in words how much he meant to me and the rest of the family. I know he is watching over us and hanging out with Granddaddy catching up!*

“ *My little brother, my friend, my partner in laughter of all things possible. Accepting of all, judging of none. Blessed and thankful for the closeness we shared. So saddened with yet another reminder just how fleeting life truly is. You will always be in my heart. Toots*

“ *I remember spending a week in the summer visiting my cousins in South Carolina. Steve was the closest in age to me so we always played together. As we grew older I remember staying up late, talking and watching stupid movies. I treasure those memories. I remember his contagious laugh and smile. Love and miss him dearly! Prayers to all of you!*

“ Steve was my neighbor for almost 8 years. His kindness, gentleness, and generosity will be missed. I remember a time when I returned home after a 9 1/2 hour drive, and within minutes he was at my door with a hot dinner for me. I know he loved David, his family, and his dogs. He will be missed.
