“ *When I retired, I had a lot of tools and supplies. I called several relatives. My nephew, Stephen came and got some tools. He has always been here for me and helped me while I have been a resident in a nearby assisted living. Stephen was here for me when my wife passed away. He always called me to check on me and help me. I love him and will miss him dearly. Uncle Roy L. McKee*

“ *We will remember Steve as a kind and gentle man and friend who truly loved his family. We know he will be missed by those that knew and worked with him over the years. he was always ready to lend a helping hand to help others. Both of us worked with Steve. He was a hard worker, but always ready for some fun and a good time! We will miss those times and sharing a meal. Just wish there had been more of them. Rest well, dear one, you will be missed but never forgotten. - Anita & Jack*
