“ *I loved Steve as if he were my brother. He was close to the Minter family because he dated my sister. I remember trips to the beach and Florida with our family. Steve was very sweet with the greatest humor. He was a great painter as well as good truck driver. He showed me how to backup a tractor trailer one time. He will always be remembered by many. I'm sorry for the loss to the family. Love, hugs, and kisses to you. May God comfort you is my prayer.*
