“ To the family of Steve Cagle:
I cannot express in words what Steve meant to my daughter Ashley, Donna and myself. We all lost a very dear friend way too soon. Steve will always be remembered and loved by all that came in contact with him. Hundreds of young ladies were able to achieve their goals and dreams through his instruction and friendship. I know you have entered the gates of heaven and are probably teaching the angels to pitch.##imported-begin##Donnie Moore & Family##imported-end##

“ Coach Cagle introduced himself to us at a Riverside vs. Clinton softball game. Kelly was pitching...or should I say....trying to pitch. He came up after the game and talked with us and from there, we came to know "Coach" especially every Saturday at pitching practice and then into summer traveling teams. He had such a devotion for those he instructed in softball. He had a gift for always encouraging those he coached. We want to express our sincere sympathy to you and your family.##imported-begin##Bryan & Carol Ann Gault and Kelly Gault##imported-end##

“ *Crystal, Holly, and Cagle Family,*

I am so sorry for your loss.

When I think about the happiest times in my life, most of my memories involve softball. I would not have any of these memories without Steve. He encouraged me from the very beginning and taught me how to believe in myself. He knew how to raise my spirits when I was down, and he always stood behind me no matter what. He was everything a great coach should be; patient, motivating, compassionate, supportive, and kind-hearted. He made an incredible impact on my life, and I know that he touched the lives of each girl he taught.

Above all else, Steve was a friend to me. He genuinely cared about me, and helped me through a lot of tough times. He taught me things about life that I couldn't learn from my parents. He was such a great role model. I will take the things he taught me and pass them on to those that I coach, so his memory will never be forgotten.

I will always remember him, and I hold him very highly in my heart.##imported-begin##Jessica Smith##imported-end##

“ I went to church with Steve in the early 90's. One time we had a doughnut sale, Steve came around to deliver the doughnuts he had a 4 door oldsmobile and that car was totaly full from the floor to the top there was just enough room for him to sit and drive. We had the biggest laugh that day. He will be missed.###imported-begin##Wayne Pearson###imported-end##

“ Crystal, I am so very sorry for your loss. Your dad was a wonderful human being and he loved you so much. I will always remember the day that I asked him how you were doing after your surgery. Tears welled up in his eyes and he said "Crystal is my hero". There are not many people in this world like Steve. Aside from being a great pitching coach he had the gift to bring out the best in a player with his words of encouragement and praise - never a negative word or action like is so prevalent in sports today. Our daughter Brittany adored him and I loved how he could turn a bad day for her into a good day with his practical jokes, wrestling, silly riddles and his off the wall, one of a kind "Cagle pitches". He always said that one would be named for him and I'm sure it will! We will always be sad that we were not able to see him one last time but will carry our memories of him forever. Crystal, you and your family are in our prayers, now and always.##imported-begin##Fred, Kelly & Brittany Wood##imported-end##

“ Wesley will never get to know his grandfather, but when he is old enough I will tell him how kind, caring and most of all how humorous he was. He definitely knew how to make people laugh. I know in my heart he would want everyone to continue on with their life, even though his life was tragically cut short. Steve, you are loved and will be forever missed.

“ *My sympathy goes to the entire Cagle family. Steve will be missed by so many people. The impact he had on the young lives he touched and helped has yet to be seen. His family, ALL of his girls and upstate softball has lost one of the best. Always encouraging, always saying, "yes, you can"- that was Steve, a true coach at heart. I will not forget the compassion he gave to Hailey during her sickness and the gentle pushing he gave her to get back in the game when she felt it was useless and wanted to just give up. May God bless each of you and be with you at this time.##imported-begin##Angie Ramey##imported-end##*
