“ LaDon and family, I am so sorry to hear of your loss. I can only imagine the sadness that you feel during this difficult time. It is never easy to say goodbye to someone you love so deeply. However, may you find comfort in knowing that Steve is now with our Lord and Savior and has been transformed. So it is really not goodbye, but so long until you are able to see him again. Jesus said, “I am the resurrection and the life. The one who believes in me will live, even though they die; and whoever lives by believing in me will never die.” John 11:25-26
