“ Dear Diane and family,  
I recently was made aware that Steve passed, and I am so saddened to hear of your loss. Steve was one of the best humans I ever had the privilege to have in my life. He always knew how to lighten the mood, brighten the room and make people laugh. God bless your family and Steve's spirit in Heaven.

“ There was great sadness in my heart when I learned of the passing of Steve. Steve and I grew up together at CF Airfreight/Emery starting in the same year 1988. We were part of the Indianapolis Division and always looked forward to seeing each other at our division meetings. Steve was always a positive motivating friend who brought a smile to my face. He had a nick name for me, whenever we talked. When Steve shared something, I had to decipher if it were truth, or it was Steve seeing if he could make me believe it. I was able to reconnect with Steve in person when I relocated to Asheville 20 years ago. Over the years we shared deep conversations about our families and our faith. Steve is sitting next to God and making him laugh. I will miss him, and I am deeply sorry for his family’s loss while they are trying to move on without him. He is in a wonderful place surrounded by love, and I know he is sad for the people he left behind.

“ I worked with Steve for many years with Emery Worldwide, Emery/Menlo and recently with UPS Global Forwarding. Although our Company name changes, Steve's positive attitude, and love of what he was doing never did. Although I was never a direct recipient of one of Steve's gag gifts, their ledgen will live on. Rest in peace my freind.

“ I remember when things weren't going well for me... I was so depressed that I couldn't stay in touch with anyone. But Steve stayed in touch and kept calling during that time. He also welcomed me during the down times... a truly admirable person. We first became friends in 1980 and never lost touch. I will miss many things about my best friend, not least of which was his sense of humor. Ted Schierer Class of 1984 and college roommate.

“ The first time I met Steve was at a company bonding bowling day (pictured). This was my first impression, and somehow he managed to exceed every expectation you have of your “boss.” He was gracious, involved, and a bright light of every day, meeting, training, lunch, etc... He is so missed. Our thoughts and prayers are with the Bartels.

“ Steve was such a great friend and colleague to many at Emery Worldwide. A dedicated family man with a great sense of humor, Steve made any phone call, meeting or dinner out a fun and memorable experience. Blessings to his family through this time of grief.
