“ I met Steve through his volunteering with the South Carolina Children’s theatre. His spirit never changed always ready to give a helping hand. He was never boastful or braggadocios about himself and I would put him up against any audio man in the nation! Thank you Mary for sharing your sweet husband with us all, my prayers are with you all.

“ *My mom told me about Mr. Dial passing. I'm so sorry to hear this and I want to share my deepest thoughts and condolences. He was such a wonderful man - always so kind and generous and caring! He was sort of like a second father to me growing up. He was the "DJ" at my wedding, which I will never forget. However, I think some of my favorite memories of him included when he'd take Melody, David, and me up to the church to work on things there. We'd load up in the van and we probably drove him crazy, but he would smile and laugh with us (or probably at us). Or how his "shop" was so cool because it was almost like having our own personal Blockbuster with all of his movies he had. He will surely be missed!*
