“ Kim, Hillary, Holden and family: Steve fought a good fight and now he’s with Jesus. May you feel Gods peace, mercy and everlasting love during this difficult time. He loved The Lord, served Him and his example will live on. Steve loved his family and that was obvious when he would talk about them or be with them, his eyes would light up and he would smile a little bigger. Hold dear your memories and never let them go. Our most sincere sympathy be with you today and the upcoming days ahead.

“ I have known Steve and Kim before they were "Steve and Kim" I watched them both grow into such a beautiful couple and such beautiful God loving people. I am so thankful to have known both of them and their families. Steve was such a good example for his children and his church. He was such a great person and I never heard him complain or ever saw him down or without a smile on his face. I will be praying for Kim and his family.
