“ *I miss you so much Steven and just because we were in two totally different worlds and may have had some disagreements this has changed me forever. You're the nicest person I've ever known and selfless. I'm honored to call you my brother and I really hope they have gaming systems up there. Love you and miss you so much.*

*Love,
Emily*

“ Steven,

Thanks for Sticking Up for me, at a time when it felt like the world was against me. You had my back and became not only the best roommate, but also a great friend! Thanks for carrying me in Rocket League and helping me grow as a player giving me a platform for my stream.

I will never forget your legendary setup and your super cool keyboard collection it low key made me jealous haha. I can still hear you laughing and getting upset at 3Bit from across the hall haha.

Thanks for being one of the best parts of my healing and growing as a person! I will always carry your memory brother and I love you so much!!!!

To Stevens Family,

Hey Guys I am so sorry about your loss! I want to personally say thank you guys so much for treating me the way you did! I will never forget feeling like a King when we went to Rick Erwins and that other place in Central!

If it makes you feel better I can still hear Steven cringing reading this saying OMG!! haha

I love you guys soo much and I know Steven loved you guys a ton!

“ Steven,

Thank you for all the laughs and good times on Discord. I'm going to miss your sarcastic jokes and cheeky sense of humor while chatting and playing games. You were (in your own words) "a LEGEND at comedy." I'll especially miss the two of us picking on Dillance, although you were never mean because you were (again, in your own words) "a loving, innocent person." Lol :P I know you were just being funny, but it was true. You really were an incredible person Steven, and you're going to be dearly missed. I pray that your beautiful soul rests in peace and send my deepest condolences to your family who raised such an amazing man.

“ Steven,

I'm still in shock right now. My heart hurts for your mom and your dad the most. You were such a sweet kind man. I remember going to the store with you, Emily and your mom when you were just a baby. Remember the Summers that we spent together at your mom's pool. The sleepovers with the cousins we had at Grandma and Grandpa's house. I'm still in disbelief, we were supposed to see you this coming weekend at Grandpa's house with your mom and family. I know that God has a plan for everything, but I can't wrap my head around this one. I love you! You will be missed so much.

“ Steven,

It has been years since I've seen you develop from the AMAZING young Gamer you are to an adult.

Those hard days with your Dad grueling you to get on the tennis court and off "Console Time".

You're a beast and will continue to be, while you watch over us.

Never have I ever asked anything of you besides screen time and advice on WOW, but now I am asking you to Please keep an eye on us all. Like a monarch butterfly.

Rest in Heaven

“ Steven,

You will be missed so much. We love you so much and wish you were still here. It is hard to believe you are actually gone and I still don't think it is real.

The memories of watching you grow up have been flooding my mind. From taking you to the beach house we weren't suppose to be at, to recently teaching you some simple items to cook.

I know you are in a better place sitting up there with Grandma and playing games. Your life may have been cut short, but man did you make a mark and grow into an amazing man. I will forever love you and miss you.

Love you,

Aunt Rachel
