“ Mrs. Simmons, the loss of Mark is so sad. I believe that he had so much more to give but it's not to be. I always enjoyed his phone calls because he knew how to make me laugh. As you know, the "shed " was a place for Mike, my brother Scott, others, and myself to congregate and act like the perfect gentleman that we had become. Mark was witty, very smart, and had a love for dogs. I will miss his calls, especially after he had talked with Mike. I'm so glad Mark was a part of my life. I will never forget his kindness and the fact that he was a very good man. Blessings are being sent to Wendy, Betty, and the extended family. He will be missed. Michael Cranford

*“ I see so much of Bob in Mark in this photo! Betty & Wendy, Mark was a sweet, kind, loving person. I enjoyed the few conversations I had with him. You all have been so helpful to him in years past and I know he would want you to know that. May Jesus compassionate care be with you all in the days ahead. I would love to spend some time with you soon.*

*“ We treasure our time with Mark, he took us to so many places we would have never seen otherwise. He knew those mountains so well and could handle those curves like a pro, which he was. We loved him much and our love, thoughts and prayers are with all of you.*
