“*I am so saddened to know that Sunshine no longer will be spreading all that she had with everyone she met. The world is a darker, sadder place when I first met beautiful Sunshine. She had such a genuine warmth about her. She exuded joy, love and sunshine everywhere she went. I know she will be the happiest angel in heaven and will be looking after her loved ones. There are some words from a song just came to mind I want to share...you've got to fly to the angels; heaven awaits your heart and flowers bloom in your name; all the stars in the night shine in your name rest in peace beautiful Sunshine! You will be so very missed.*”
