“ We will truly miss Susan. She always had such a sweet spirit. Our Sunday School class will never be the same. We often spoke about questions we would like to ask when we got to Heaven. Now Susan will be the first of us to get answers, (after she gets through seeing everyone !) Amber, our prayers are with you. I know you will miss your mother, but you know you will see her again . That is the blessed hope we have in Christ our Lord!!##imported-begin##Sharron Bailey##imported-end##

“ I also knew Susan from working with her at Creform for many, many years. I always admired how dedicated she was to her job. I know her absence will leave a void that no one will be able to fill. Susan is in God's care now and what better care could we ever ask for her? Now I pray for your comfort in the days ahead. God bless you and keep you in His tender care and love for all eternity##imported-begin##Nicki Reed##imported-end##

“ I knew Susan through her job at Creform where she was always so pleasant to work & deal with. We often spoke about the appreciation everyone should have in their lives, be it from their job, in family, or their faith. I always knew when she spoke about what was important, she believed it with her whole heart. I will miss her fair-mindedness & soft spoken smile. Her family should know that the love she bestowed upon them was equally felt & recognized in the kindness she extended to her work family and colleagues. We will always miss her. Bless you in this very sad time.##imported-begin##Wilson Boggs##imported-end##
