“ I am so sorry to hear this. When we were "chatting" back and forth several months ago I just never thought she would be gone so soon. I am heartbroken. She will be missed.

I was so shocked to hear of Suzanne's' passing. We were classmates from high school so many years ago...just too young, but I am sure she is no longer in any pain and rest assured that God will look over her and keep her safe.. She will always remain in your hearts and memories. Heaven has gained another Clemson Fan.

I am very sorry to hear this. I knew her many years ago and she was such a sweet young woman. Once you met here she left a lasting impression, will never forget her laugh and smile. I know this is a difficult time for her friends and family, may God be with you all.
