“ *Suzanne was my sweet neighbor and she was always very hospitable and welcoming. When my husband Jerry passed last year and my family from Spain came to visit she opened her home to them like if they were her family. I loved her and miss her tremendously!* ”

“ *Suzanne, Belinda and I met at a Clemson Tigers Football game... where else :) We became instant friends. I was invited to stay at the Jenkins/Traenkle home every time I came to So. Carolina. It wasn't long before I was part of the family. I love my given family and there is something special about a chosen family. Because of Suzanne, my SC family has grown. I miss you Suzanne. We will celebrate your life, and toast you every time your friends come together. Be seein' ya!* ”

“ Suzanne was a great friend, she was always someone you knew who would always pray for you and be there for you. Not only was she a kind caring friend she was a dedicated to her friends and clients. She had good old fashion customer service and treated everyone with love and respect. I was very blessed to have her as a sales rep but more blessed to have her as a friend. She will be in our hearts forever! ❤️🙏

“ To my friend Suzanne, I just received a phone call asking me to design the flowers for your funeral. I'm sitting here in shock and wanted you to know what you meant to me. You and I have been friends since I moved here seven years ago and immediately Befriended me and took care of my business. Thank you for all you did. Rest in peace my friend.

“ Suzanne was always a pleasure to be around. Our class lunches were even more fun when she was there. I had a nice visit with her after her mom passed last fall. She was so proud of her newly renovated kitchen that had taken a long tome to finish. But it was her pride and joy. Rest in peace dear, sweet friend. You are missed already.

I will remember Suzanne with fond memories of our days singing in the choir at Greer First Baptist. She was a sincere and kind person who left us too early.
