“ *To the wilson family, please accept my deepest sympathies on your loss. No words express the difficulty of coping with death although I pray the promise God gives in the scriptures strengthen you through this ordeal. . . .And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.” Rev 21; 4*

“ We will all miss Sybil. She was always willing to talk about family history or area history and share her stories. She got the Atkins reunions started, and had grave sites marked to honor the lives of those that served their communities. My prayers go out for her direct family as well as the rest of her extended family. May peace, comfort, and joy find us all as Sybil celebrates in heaven.

“ Ms. Sybil was a member at SSI for a long time, and we so enjoyed having her as part of our family. We are all so sad to hear of her passing and are keeping her and the family in our thoughts and prayers. Her 9 am water aerobics class has been missing her since she was unable to keep coming to the pool, and also wanted to express their love for Sybil. She was a sweet lady who was like an extra grandma to all of us.

Love,

All of her SSI Family

I saw Sybil at the family reunion two weeks ago and she looked the best I had seen her in years. Such a wonderful person, she will be missed by many. So sorry to hear the news but glad she is not in pain any longer. My thoughts and prayers to all her family and loved ones.

Sybil was a "classy lady" who always brought joy to anyone privileged to be in her presence. We have been missing her in our water class and we often recall stories and time spent with her. I don't think there was a more loving mother, grandmother or great grandmother in the world. I know you all will miss you and I am praying God's peace that passes all understanding for you.

Always looked forward to seeing Sybil at the Henson reunions and was so glad she scheduled it for June this year as I am unable to attend in Sept. Due to a health problem at the time I am so sorry I didn't get to attend and talk with her. Have fond memories of her mother and Sybil as we attended Mt. Lebanon in our teen years.
