“ Bonnie and Burton, I'm so sad about Sylvia, but happy for her at the same time. The pictures were beautiful and just how I want to remember her. Emotionally I was unable to visit her during her last few weeks but all the other visits we had were very special. She will live on in my heart as a very special cousin and I'll really miss her not being here to straighten me out on who was who in the family when I can't remember. I am sure there was a happy reunion in Heaven that is still going on. My prayers are with you all in the coming days. Love you all, Gail

“ Dear Bonnie and Burton,
I am so sorry to read in today's paper of your sweet mama's passing. I loved both of your parents to pieces and feel so blessed to have known them. Losing both parents is really hard and I know you will both have struggles ahead. I promise though the pain does ease some as the days progress. Janice and I are living that life right now. Lean on each other and draw strength from the Lord. Maybe my mom and dad and your mom and dad went to church together this morning. I sure hope so. I love you both and will be praying for you in the days ahead.

“ Sylvia was the sweetest, most quintessential Southern lady. Her beautiful smile and sweet nature brought joy to those around her. We always enjoyed our time with her when she would join us at our Furman picnics and tailgates. Her beauty lives on in her family. Blessings, prayers, and love, Judy O.

I can't help but smile when I think of Sylvia, from the time I was a little girl to being her nurse when she was in the hospital, she always made me smile and never missed a chance to tell me how special her family was and how much she loved them. I know she will be missed tremendously. Thoughts and prayers your way❤️
