“ I am so sorry to hear about Sylvia's passing. I had the great honor of knowing her for many years. The stories that she shared with me always made me smile. She always told me that her husband said that she was the one that did all the work in the family. I still have a photo of her hanging at my desk riding a bull. I always told her I wanted to grow up to be just like her. This woman truly loved life to the fullest. I can only imagine how much she is going to be missed. I know that, that spot in my heart will fill empty, but my life was truly better knowing Sylvia. I know that she is shaking heaven up! Love you Ms. Sylvia! We will meet again soon.
