“ To the family of Sylvia, I express my deepest sympathy. She finished high school with me and was such a sweet person. I had only seen her a few times during the last few years, and hate that she was not able to attend our 50th class reunion last fall. I wish I had known in time to visit with the family, but please know that my thoughts and prayers are with you.

“ I remember Sylvia as a sweet friend as long ago as elementary school at Lenoah. I bet not many people even remember that little school. She shared her talent with her accordian at my church a few years back and it was good to see her. I know she will be missed by her loved ones here, but I also know she was welcomed to her new home in Heaven . Love and prayers to the family. Gail Morgan

“ *For the family of my dear cousin, Sylvia. It is so sad to lose our dear cousin who was the one who tried to keep our family together. Over the years Sylvia was the one who organized the Howard reunions and I will always fondly remember her for this.*

May God bless you and lift you up in this time of sorrow.

Sincerely,

Joyce, daughter of Annie Bell Howard Cooper
