“ Mrs. Duncan,
I am the nurse that took care of Mr. Duncan while he was in the ICU. I just wanted you to know that I am so sorry for your loss. I wish that something would have/could have been done to help him get better. It breaks my heart that I couldn't have done something. You'll be remembered always.

God Bless,

“ I am deeply saddened to hear of Talmadge's passing. I will always remember the good times we shared when we were young at the Duncan reunion. Even though I have been living on the West Coast for the last 44 years, I have never forgotten my SC family. There must truly be great rejoicing in heaven today with Talmadge's entrance into Glory. May God continue to bless and keep you in his ever loving care.##imported-begin##Phyllis Duncan Nelson##imported-end##
